Use Cocoanut Oil For Washing Hair

Most soaps and prepared shampoos stain too much alkali. This dries a scalp, makes the hair brittle, and very harmful. Just plain mulsified count oil (which is pure and enally grouseless) is much better than a most expensive soap or anything e you can use for shampooins, as san't possibly injure the hair. Simply moisten your hair with ler and rub it in. One or two teaponfuls will make an abundance of h. creamy lather, and cleanses the rand scalp thoroughly. The lather sees out easily, and removes every tide of dust, dirt, dandruff and master oil. The hair dries quickly I evenly, and it leaves it fine and y, bright, fluffy and easy to man-
